Rhapsody of the Seas

7 Night Alaskan Cruise

May 20-27, 2011

Seattle to Seattle

Call us and learn how to earn a FREE CRUISE!

Cruises are purchased directly from the cruise line. PRICES ARE THE SAME. Any discounts offered by the cruise line to groups are applicable. Onboard credit and other special amenities are given to our Caregiver Cruisers.

This is a special group cruise offered twice a year

Each Caregiver Cruise® includes onboard group activities coordinated by a Geriatric Social Worker with over 20 years experience. Caregivers do not always know what to expect on these cruises. So, we have included a video on our website which may better help you understand what we offer. The primary purpose of our cruise is to promote interaction with other caregivers onboard, sharing stories and helpful strategies for optimizing your caregiving at home.

We are a member of the Ticket to Travel Group with travel agents on both the Atlantic and Pacific Seaboards. Please remember that you must book with us to participate in group activities, meet-n-greets, support group meetings, and to receive free onboard credit. These activities are exclusive to customers of CaregiverCruises.com®

MARK YOUR CALENDARS We offer Caregiver Cruises every year. The East Coast Cruise is in January and the West Coast Cruise in May or September.

SPACE IS LIMITED. DON'T WAIT TO BOOK. DEPOSITS ARE HELD BY THE CRUISE LINES AND ARE REFUNDABLE...
